

**PRESS NOTE**

Milan, 15 March 2018 - In relation to news appearing in media outlets on the disposal of the Radiocor press agency to AGI, Il Sole 24 ORE wishes to point out that the only possibility being assessed at this time is the transfer of the Radiocor business unit to a vehicle company, as part of the rationalization and reorganization of the Group's activities. Any other speculation in this regard appears, therefore, to be untimely at the very least.
